Points to Ponder:

- Emotions attached to the objects and artefacts.
- Challenges in Acquisition and Preservation.
- Bridging the Gap between the Artefacts in the museum and Living Culture and Practices.
- Approach of the community and city towards the museum.
- Digital Museum & Physical Museum – Complementary or Competitive

**Our Sincere Gratitude to the
Government of India, Ministry of
Culture, for helping us in the
Upgradation and Revitalisation
of the Framji Dadabhoy
Alpawalla Museum.**

ASKS from The NCM:

- Outreach Program Platforms
- Virtual Museum Platforms
- Museum Presence on Ministry of Culture, Government of India and National Commission of Minority Websites.
- Creating Parsi Heritage Tour Networks and marking Alpaiwalla as an important component in the same.

THANK YOU
